Vitek Signs With Captis Intelligence

Captis expands reach with global surveillance product manufacturer

LOS ANGELES, March 26, 2018 (Newswire.com) - Captis Intelligence, a leading provider of I-4 crime solutions (Intelligence, Information, Investigation, Identification) has announced Vitek Industrial Video Products has signed with Captis Intelligence as a preferred manufacturer integration and sales partner. The Captis I-4 platform will be showcased in the Vitek booth (#7040) at the upcoming ISC West show in Las Vegas (April 11-13).

Vitek, a 20-year innovator and leading manufacturer of industrial video surveillance products, is based in California and has customers spanning the globe. “We are excited about our partnership with Captis Intelligence and their industry-first system which bridges the gap between surveillance and identification/investigation” stated Greg Bier, CEO of Vitek. “We strive to provide our customers with the latest cutting-edge products and solutions, the Captis’ I-4 system is ahead of its time and fits very well into our innovation vision”, added Bier.

The Captis I-4 system completed its three-year development in mid-2017 and have quickly established a worldwide market with dealer partners, manufacturers, and multiple Fortune 500 clients. Captis clients such as Rite Aid rave about the I-4 results and capabilities: “We’re now closing over 50 percent of our violent crimes within a week. Captis has become one of the most interesting and quick successes that I have ever had with a new solution—and I’ve been in Asset Protection for forty years.” Stated Robert Oberosler, Vice President of Asset Protection – Rite Aid Corp

Captis will support Vitek’s global operations from its corporate office in Valencia California along with its regional offices in London and Singapore.

About Captis Intelligence

Captis Intelligence’s I-4 platform (Intelligence, Information, Investigation, Identification) provides an advanced cloud-based system for public and private sector applications. Captis unifies situational awareness, geographic crime intelligence, social media investigation, facial recognition, criminal databases, access to solveacrine.com, and secured information exchange portals for neighboring businesses and law enforcement. A global innovator, Captis is headquartered in Los Angeles and has offices in London and Singapore. Captis was founded on the principle of innovation and remains at the forefront of pioneering I-4 crime prevention/suspect identification technologies.
