ODSI: Reviewing Previous ODSI Search Results

This guide is intended to provide a step-by-step desktop procedure for navigating to and reviewing previous ODSI search results within Captis Intelligence’s integrated product suite. For any questions, please contact help@captisintelligence.com to reach one of our product specialists for assistance.

1. Log into the Captis Intelligence Product Suite using your account’s credentials.
<https://www.captisintelligence.com/home>
2. Select “Intelligence” on the top Navigation Bar, and select ODSI in the “Intelligence” drop-down sub menu to navigate to the ODSI Base Page

3. Scroll down the page past the ODSI entry application to view previous results
