

CVS signs national agreement with Captis Intelligence

LOS ANGELES, CA – December 12, 2018 / PR Newswire

Captis Intelligence, a pioneer and leading provider of I-4 crime solutions (Intelligence, Information, Investigation, Identification) continues its rapid expansion internationally with its recent signing of Fortune 500 retailer CVS (NYSE: CVS).

Founded in 1963, CVS is the largest pharmacy chain in the United States with nearly 10,000 locations. Along with prescription drugs, CVS sells a wide assortment of general merchandise, including over the counter drugs, beauty products/cosmetics, film and photo services, and convenience foods. CVS also provides healthcare services through its 1,100+ MinuteClinic medical clinics as well as their Diabetes Care Centers. The Captis I-4 system will be utilized by the national CVS Loss Prevention team based in Rhode Island and will be supported by the Captis corporate office located in Los Angeles.

The announcement comes in the wake of a major acceleration in growth for Captis which has recently signed multiple Fortune 500 clients to national contracts. “The Captis I-4 is a game changer in Asset Protection” stated Craig Vadnais, Senior Manager of Loss Prevention for CVS. “Their solution elevates our capabilities and provides us with highly effective intelligence and identification capabilities” added Vadnais.

Partnering with Captis will allow CVS enterprise access to the powerful I-4 system which unifies several industry-first technologies within 4 categories of Intelligence, Information, Investigation, and Identification. Features such as ODSI (On Demand Subject Identification), PRISM (Protective Research & Investigation in Social Media), and Solveacrime.com access, are just a few of the industry-first technologies that make up the Captis I-4 cloud-based system.

“Captis is very pleased to partner with CVS, an industry leader with a highly advanced asset protection team” stated Dario Brebric, President of Captis Intelligence. “We are looking forward to enhancing CVS’s capabilities with our I-4 solution, added Brebric
